

(SRI M. P. PATIL)

date of the application. It is reported that extracts are made available to the applicants within the prescribed time except in very few cases where talathis are busy in other urgent work such as Jamabandi audit, crop inspection, etc., and that no cases of undue delay have been reported so far.

(b) Extracts from the Record of Rights are generally supplied to the applicants within the prescribed time except in exceptional circumstances referred to in para (a) above.

(c) The Deputy Commissioners have reported that they have taken and are taking adequate steps for the supply of extracts from the Record of Rights to the applicants in time by issuing orders and circulars to the talathis from time to time. In view of this, it does not seem necessary to take any further steps in the matter.

Sri C. S. HULKOTI.—May I know whether the village officers maintain inward and outward registers entering therein the disposal of applications for the supply of extracts from the Record of Rights?

Sri M. P. PATIL.—I have no information on that. I presume such registers are not maintained by the village officers.

Sri C. S. HULKOTI.—May I know whether there are instructions from the Government to maintain such registers?

Sri M. P. PATIL.—No, Sir.

ಶ್ರೀ ಎಸ್. ಆರ್. ರಾಮಯ್ಯ.—ಅರ್ಜಿದಾರರಿಗೆ ಜಾಗೃತ ಹಕ್ಕುಗಳ ದಾಖಲಾತಿಯನ್ನು ಕೊಡದೆ ಇರುವುದಕ್ಕೆ ಕಾರಣವೇನು?

ಅಧ್ಯಕ್ಷರು.—ಈ ಪ್ರಶ್ನೆಗೆ ಉತ್ತರ ಕೊಟ್ಟಿದ್ದಾರೆ.

ಶ್ರೀ ಎಸ್. ಆರ್. ರಾಮಯ್ಯ.—ಈ ದಾಖಲಾತಿಗಳು ತಾಲ್ಲೂಕು ಕಚೇರಿಗಳಿಂದ ಜಾಗೃತ ಬಾರದಿರುವುದು ಸಾಮಾನ್ಯಕ್ಕೆ ಕಾರಣವೇ?

ಶ್ರೀ ಎಂ. ಪಿ. ಪಾಟೀಲ್.—ನಿಮ್ಮ ಪ್ರಶ್ನೆ ಹಳೆಯ ವೈಸೂರಿಗೆ ಸಂಬಂಧಿಸಿದ್ದೋ ಹೊಸ ವೈಸೂರಿಗೆ ಸಂಬಂಧಿಸಿದ್ದೋ?

ಶ್ರೀ ಎಸ್. ಆರ್. ರಾಮಯ್ಯ.—ಹಳೆಯ ವೈಸೂರಿಗೆ.

Mr. SPEAKER.—But this question is regarding Bombay Karnatak area.

Next question.

Recognition of B.Sc. (Hons.) Degree of the Mysore University.

Q.—1954. Sri C. J. MUCKANNAPPA (Gubbi).—

Will the Government be pleased to state:—

(a) whether it has come to their notice that the Union Public Service Commission has refused to recognise the B.Sc. (Hons.) degree of the Mysore University;

(b) the steps they propose to take to get the said degree recognised by the U.P.S.C. at an early date?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(a) The Union Public Service Commission has refused to recognise the B.Sc. (Hons) degree of the Mysore University as equivalent to a Master's degree.

(b) The University of Mysore is taking necessary action in the matter.

Sri C. J. MUCKANNAPPA.—May I know the reason for this step-motherly treatment only to the B.Sc. (Hons.) graduates of the Mysore University?

Sri S. NIJALINGAPPA.—In this case the question of step-motherly treatment or otherwise does not arise. In the Universities of Andhra and Madras, after the students got B.Sc. (Hons.) degree, Master's degree was given automatically at the time of the next Convocation if the fees are paid. But that is not the practice in the Mysore University and therefore the Union Public Service Commission has refused to treat B.Sc. (Hons.) degree as equivalent to a Master's degree. But that does not mean that the Union Public Service Commission has not recognised the B.Sc. (Hons.) degree; it has refused to recognise it as equivalent to a Master's degree.

Sri C. J. MUCKANNAPPA.—May I know how many such applications were rejected by the Union Public Service Commission when the Government of India wanted candidates?

Sri S. NIJALINGAPPA.—How can I say?

Sri C. K. RAJIAH SETTY.—May I know whether the Union Public Service Commission is not recognising the B.Sc. (Hons.) degree of the Mysore University?

Mr. SPEAKER.—The question has been answered.

Sri C. K. RAJIAH SETTY.—Is it a fact that a person with B.Sc. (Hons.) degree of Mysore University can get a Master's degree of Madras University by merely paying nominal fees?

Mr. SPEAKER.—This is about Mysore University and not about Madras University.

Sri C. K. RAJIAH SETTY.—It means the qualification is almost the same.

Mr. SPEAKER.—The question is about the recognition of B.Sc. (Hons.) degree of the Mysore University by the Union Public Service Commission, and not about the Madras University.

Sri C. K. RAJIAH SETTY.—My point is that both the degrees are of the same standard; why this is not recognised by the Union Public Service Commission?

Mr. SPEAKER.—That has been answered.

Sri J. B. MALLARADHYA.—In answer to (b) it is stated that the University of Mysore is taking necessary action in the matter. It is not a question of academic parity between the two degrees; it is a question of recognition. Is it at the Government level or University level that this matter is being pursued?

Sri S. NIJALINGAPPA.—No reply has been received from the Government of India. The University of Mysore represented to this Government and this Government has not felt the necessity of making a representation on behalf of the University of Mysore.

Sri J. B. MALLARADHYA.—Will the Government at least now take up the matter at the highest level as it affects the interests of a large number of students of the Mysore University?

Sri S. NIJALINGAPPA.—It is a suggestion for action.

Sri B. RACHIAH.—Is it not a fact that the University of Mysore has not recognised the B.Sc. (Hons.) Degree as equivalent to the Master's Degree?

L.A.

Sri M. P. PATIL.—That is not the case. In the case of Andhra, and Madras Universities after taking the B.Sc. (Hons.) Degree, Master's Degree is given automatically on payment of a certain fee. But that is not the practice in Mysore. They will have to undergo the course. Therefore, the Union Service Commission has not recognised the B.Sc. (Hons.) Degree as equivalent to Master's Degree.

Proposal to divert Water from Yagachi River to Vanivilas Sagar

Q.—217. Sri V. SRINIVAS SETTY. (Coondapur) [On behalf of **SRI K. KENCHAPPA** (Hiriyur)].—

Will the Government be pleased to state:—

(a) whether it has come to their notice that the quantity of receipt of water to the Vanivilas Sagar is being decreased year by year and as a consequence of this the land owners are suffering;

(b) whether they are aware of the proposal by the Chief Engineer during the course of construction of the Vanivilas Sagar that river Yagachi should be diverted to the Vedavathi Valley if the intended purpose of construction of the Vanivilas Sagar to the desired and anticipated extent should be achieved;

(c) the estimated amount proposed by the said Engineer;

(d) the probable estimate now for doing this work;

(e) whether this aspect of diverting the Yagachi river to Vedavathi Valley was considered and decided while proposals were being submitted to Central Government for acceptance during preparations of programmes for First and Second Five-Year plans;

(f) whether they propose any other method to maintain the Vanivilas Sagar in a condition in which it was constructed in respect of quantity of receipt of water, other than the circumstances of diverting Yagachi river?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works).—

(a) No.
